

IDENTIFYING DANIEL AND JOHN'S "STONE" KING(DOM) USING THE HISTORICIST METHOD AND YEAR-DAY PRINCIPLE

In Revelation 4:2-4 John sees in God's Holy Place "a throne set in heaven" that "was like a...stone in appearance" and the 24 elder "thrones." These 25 thrones depict Daniel 7:9's movable "throne" and "thrones...put in place" for 1844's Investigative Judgment. Let's track Daniel's Ara./Heb. word "Ad":

Line of Prophecy	Linguistic Foundation: Ad	Scripture's Prophetic Shift & Day of Atonement Timeline
Daniel 2 (Clay)	Watching the iron-clay, the king " <u>watched until</u> [Ara. Haza- Ad] a stone was cut out" (2:34 MEV).	Rev 4:2's Stone King cut out His 25 thrones on Mount Zion to set up 1844's kingdom after Rome's first-phase religious "clay" was wounded in 1798.
Daniel 7 (Clay-Horn)	Daniel " <u>watched until</u> [Ara. Haza- Ad] thrones were set up" (7:9 GWT). Daniel also " <u>watched...until</u> [Ara. Haza- Ad] the Ancient came" (7:22 NIV).	Daniel watched 1798's "horn...speaking...words" (7:8). Daniel "watched till" the Father "came" to 1844's Holiest and "the Ancient...was seated" on "His throne" (7:9), who John says "was like a jasper...stone in appearance."
Daniel 8 (Clay-Horn-King)	" <u>Until when</u> [Heb. Ad -Matay] is the vision" (8:13 LSV)? It won't be " <u>Until</u> [Heb. Ad]" 2,300 years, " <u>then</u> ...the sanctuary" is cleansed (8:14 WEB).	Daniel saw "the Son of Man...coming...to the Ancient" – or "the Son of Man" in John's Holy Place (Rev 1:13) – "He came to the Ancient of Days," who was in 1844's Most Holy Place, "and they brought Him near before Him" (7:13).
Daniel 11 (Clay-Horn-King)	Christ as the Atoning Stone was also cut out, but not " <u>until</u> [Heb. Ad] the time of the end" (11:35).	Daniel 7:22's 1844 "saints" were "cleansed" on God's 25-throne "mountain" (11:35,45 NLT), but not until after 1798's "time of the end" (8:15-17; 11:35); and not until "the king...shall magnify himself above every god" (11:36).
Daniel 12 (Clay-Horn-King)	" <u>Until when</u> [Heb. Matay- Ad] is the end? (12:6 LSV)? "[T]hese words will be kept secret and sealed... <u>until</u> [Heb. Hatam- Ad] the end time" (12:9 NASB)?	Until when are Daniel 8:14's words sealed? "[Christ] swore...saying, 'It is for a time, times, and a half [1798]. <u>Then</u> ...all these things will be finished...Many will be purified, made spotless and refined'" after 1844 (Dan 12:7,10 TLV).

Conclusion: We found "**Ad**" linked to two movable signs (1 + 24 = 25 thrones) with two immovable times (1798/1844) because on October 22, 1844, Revelation 4:3's cut out Holy Place "stone" became Daniel 2:45's cut out Most Holy Place "stone." The Stone King had moved 25 "cut out" thrones for 1844's Investigative Judgment, using the words of Daniel 8:14's 2,300-year prophecy to uncover His stone-throne's 1844 "Revelation of Jesus" (1:1).
